

**TOWN OF TREMONT
HARBOR COMMITTEE MEETING
WEDNESDAY May 28, 2003
TREMONT COMMUNITY BUILDING**

1. CALL TO ORDER

Chairman Stewart Murphy called meeting to order at 6:05 p.m.

2. ROLL CALL

Haywood May, Bubba Butler, Al Price, Everett Beers, Scott Harper, Mel Atherton, Stewart Murphy, Charlie Dillon and recording secretary Heidi Farley.

3. ACCEPT MINUTES

Charlie motioned to accept minutes from April 30, 2003 Scott seconds. Unanimous

4. HARBOR MASTERS REPORT

HarborMaster reported that he has started working seven days a week. He said that one man has gone overboard this month and that he thought the water is still quite cold, (it was Al!!). Two men capsized and were rescued by the Coast Guard. Traps are going across wharf with no problems. Bills are out. Floats at Seal Cove and at Ferry Terminal are in as well as ramps. Gotts Island traffic is picking up. Finger floats at wharf will be in this week. The Town got \$1000.00 from Hardwood Island Salmon to use wharf. Atlantic salmon did not have a problem with this. David Kelley has all the hardware made, we just need a box for engine, Al will get it this week. It should only take a day or two to get it all set up. Al will get a price check on black iron verses hose. Al will call Reeds and have them run extra heavy-duty line to winch, line to harbormaster shack and telephone line. He will try to get this all done with one trip to save money.

5. SEAL COVE PERMITS

Motion by Charlie second by Haywood to order new stickers for Seal Cove Facility. Unanimous. The registrations will run from July 1st to June 30th and the sticker color will be Yellow. Al is going to talk to Laurie Schrieber about doing an article on the change of the ordinance for Seal Cove. Al talked to Jimmy Rich and Chris Eaton about floats at wharf being chained together and hinged and they believe that they should be okay. We eliminated two five-foot bridges between floats.

6. ADJOURN

Motion by Haywood second by Mel to adjourn at 6:35pm.

Respectfully submitted by,
Heidi Farley
